

## **FSAE Camping at the Michigan International Speedway**

FSAE Volunteers with Motorhomes, RVs, Trailers, Pop-Ups and even tents are welcome to stay in the **Turn 4 Apex Campground at MIS** free of charge. The campground will be available Wednesday, May 18 through Sunday, May 21. If we fill Apex, additional spaces (also free of charge) are available in the **Turn 2 Retreat** at MIS.

Apex has 20 paved sites, each with a 50A electrical hookup, and water hook-ups may be available, depending on the weather. The campground has a restroom building with sinks and flush toilets. Shower facilities are available at the nearby MIS Graves Farm campground along US-12.

The Turn 2 Retreat is a grass campsite, and each has a 50A electrical hookup and water hook-ups. There are no restrooms in this campground, but we will have a Porta-John set up.

**Reservations are strongly suggested.** You can register by emailing Ed Arthur at [GLDFlag@gmail.com](mailto:GLDFlag@gmail.com) and Kathleen [McDonald \(katklauz@aol.com\)](mailto:McDonald (katklauz@aol.com)). Kathleen is keeping track of the dates volunteers contact her, and that is the order in which people will be assigned to campgrounds (individual spots are not pre-assigned, but once the spaces for Apex fill, others wishing to camp will be allocated space in the Turn 2 Retreat Campground.

RVs and other large vehicles must enter MIS through the US-12 Gate 12. Campers may leave the site after hours (for dinner, etc.), but must notify the guard on duty. The only gate that will be open after-hours is the Brooklyn Hwy Gate 21 (RVs will not fit through the tunnel to get to this gate)

RV rentals are available from MIS Camping. Contact Andy Winnie to check availability and pricing. ([Andy@miscamping.com](mailto:Andy@miscamping.com) / 734-740-4444)
